Children in Need

Thank you to all the donations that were made for Children in Need, we will let you know how much was raised when we have a final total. Here are just a few photographs from the day.

Christmas Community Lunch - Saturday 6th December 2019 from 12:30 - 16:00

We warmly invite school families to attend a Community Christmas Lunch on Saturday 6th December 2019. This event was held 6 years ago and was a wonderful day and one which we hope many of you will be able to attend this year. The day provides a Traditional Christmas Meal for school families (immediate family only) to get together to celebrate the holiday season with family, friends, good food and lots of Christmas cheer :). If you would like to attend it will cost £2.00 per person. We have 160 spaces available and tables will be in groups of 6 and a small gift will be presented to all children 14 years and under by a very special guest! We also have a festive raffle running from 2nd December (tickets can be purchased from the school office) with prizes including a child's bike, festive food hamper, cinema tickets and cakes. This year, we will be running this event in partnership with the Holy Trinity Church, whose volunteers, alongside school staff make this a truly festive occasion. Thank you in advance to all volunteers who have come together to make this day a success, including the generous donations for raffle prizes.

LEARNING AT HOME

If you are unsure about the homework that you child needs to be completing it can be found online, please click [here](#) to view it. Please ensure that you are giving your child the opportunity to practise their rapid recall of maths facts by practising their daily speed challenge at home. Access the practise versions [here](#). Remember to set a 3 minute timer!

The Holy Trinity YouTube Channel contains many videos that can be used to support learning at home, please browse through and let us know if there is anything you may want us to add. We recommend the use of the [A+ Spelling App](#) for learning spellings at home. Children are also loving the [Sketches School App](#) at the moment, using it in any opportunity to refine their drawing skills.

THE DIGITAL LEADERS MESSAGE:

We have been designing and drawing pictures using Sketches School. We have drawn multiple versions of each picture to demonstrate movement. We have then imported each image into Keynote onto individual slides. This has helped us to create an animation which we have exported as a GIF. When we have completed some additional work on these we will be uploading some examples to YouTube.

Remember Individual School Photographs are on 20.11.19

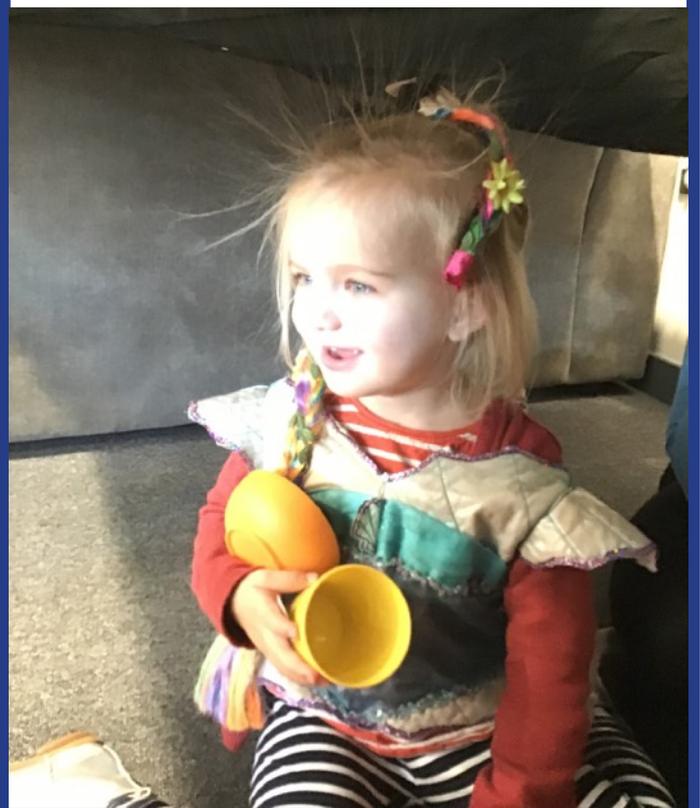

PRESCHOOL UNDER 2'S

We all enjoyed experimenting with how we hold the felt tips and what marks we can make.

PRESCHOOL

We made a tiger den where we had a tea party for our hungry tiger. The tiger's growl was so loud, it made my hair stand on ends.

NURSERY AM

We are having a splendid time exploring a range of new texts both independently and with friends. We are developing our understanding of how to handle books and convey meaning from words and pictures printed.

NURSERY PM

We started learning about the Christmas Story. We had so much fun asking Bertie Owl questions about Jesus, Mary and Joseph and even discovered the name of the animal the Three Wise Men rode on.

RECEPTION H

We have been searching for the Gruffalo. We made Gruffalo crumble to try lure him out of hiding. Before we could make it we had to go to the shops to buy all the ingredients. When we finished we even got to try a bit of the Gruffalo crumble. Let's hope he comes out of hiding soon.

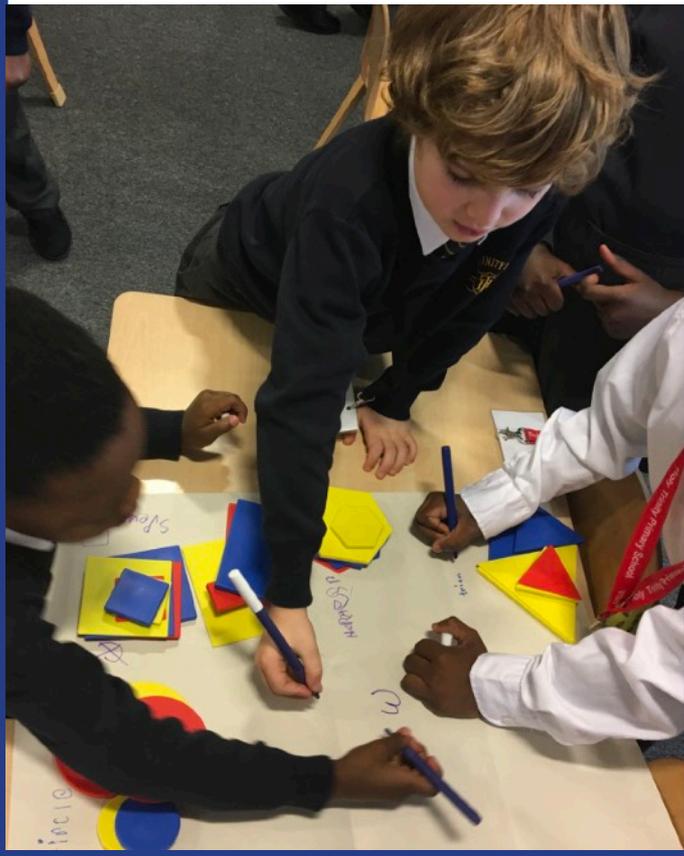

RECEPTION T

We have been reading about The Gruffalo. Here we are writing the ingredients to make a Gruffalo crumble, we cannot wait to make it and eat it, Yummy!

YEAR 1 H

We've been learning the names of shapes and sorting them based on their properties.

YEAR 1 T

During our Geography lessons we have been learning to give directions. We worked with our partners to direct Guy Fawkes to the Houses of Parliament!

YEAR 2 H

Rev Laura came into our class to speak to us about what our school name means and what The Holy Trinity is. We had prepared some questions for her all about the Father, Son and Holy Spirit and loved hearing her thoughts. She even asked us some questions about what Christians believe.

YEAR 2 T

We continued to work on our dolls houses and now they are finished. We have begun on a special digital project with Mr Webb to help bring our work to life, we are very excited about it and look forward to sharing it with you soon!

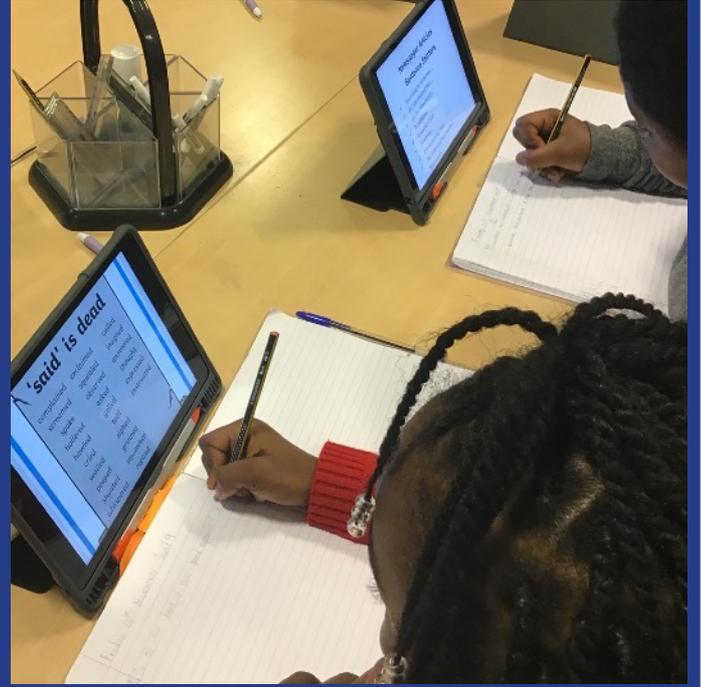

YEAR 3

We continued our Viking longship building project. In preparation for the next stage of construction we researched the history and symbolism of typical dragon-ship figureheads. We created our own designs using an application called Explain Everything. Within the app we were able to create digital drawings and annotate features such as flaring nostrils and menacing eyes. We then cut out our designs and added them to our real life ships!

YEAR 4

We wrote up our Romans themed news reports about an event involving a rogue gladiator who had gone missing from the colosseum. We used eyewitness quotes from Roman citizens, spectators, senators and colosseum guards and used journalist sentence starters to write in the correct style.

YEAR 5

We have been creating pots from clay! We worked the material and created some great pieces, all based on our learning about Ancient Greece.

YEAR 6

During our PE lessons we are learning gymnastics. This week we have been working on partner balance using core strength and we have thoroughly enjoyed ourselves.
