Head Teacher: Catherine Thomas • Finance and Admin Manager: Kathleen Payne

Friday 23rd October

Dear Parents and Carers,

RE: Home Learning and Parents Evening

Google Classroom - Home Learning

We are sending home the login details for Google Classroom today so that in the event that your child is sent home due to COVID-19 they are able to access their learning from home. This can be done through the Google Classroom App or any web browser. Simply search for Google Classroom and then follow the links to sign in. To sign into your child's account please use the details found in the envelope that your child is bringing home with them today.

IXL - Home Learning

In the envelope you will also find your child's IXL username and password. Please note that when signing in for this you will need to include the @holytrinityps into the username. Children will complete activities onto here and it will automatically and instantly feedback whether they got the question right or wrong.

Parents Evening

A text message and email went out last night with a link to a form for you to indicate how you wish to participate (phone or video) in parents evening on one of the days in the week beginning Monday 9th November. If you have not yet filled this in online please do so, it will only take a few minutes, there is a link on the school website. We will use the information that you provide to allocate you a time slot during that week.

Please have a safe and restful break.

Kind regards

Catherine Thomas
Interim Headteacher
