Head Teacher: Catherine Thomas • Finance and Admin Manager: Kathleen Payne

Wednesday 17th March 2021

Dear Parents and Carers,

We have had 8 days back and we wanted to share some updates with you.

Red Nose Day

Please remember that this Friday, 19th March, is Red Nose Day and we are asking everyone to wear as much red to school as possible.

School Meals

The school menu will be changing for lunches after the Easter holiday and for those children who are at school for extended days, the evening dinner menu will be changing from Monday 22nd March. Please see the menu on the next page.

Please also remember that the replenish food bank is open in the Trinity Centre over the road from the school, the flyer containing details is attached.

Easter Holidays

Please remember that the school closes for the Easter holidays on Thursday 1st April at 2pm, this includes the school, the nursery and the preschool. The private part of the preschool then reopens on Monday 12th April however the rest of the school, nursery and preschool will not reopen until Tuesday 20th April, as Monday the 19th April is a school INSET day.

The school building will be open with BADU sports onsite from Tuesday 6th April until Friday 16th April. Please visit the BADU website for more information around booking your children into their Easter Sports Camp.

Legos, board games and jigsaw puzzles

Can we take this opportunity to ask for any donations of Lego and board games or jigsaw puzzles for children aged 5 -12. We would like to increase what the children have access to during lunch times however we would rather recycle than buy new if possible. If you do have donations of these items only please then do drop them off in the front office of the school. We will quarantine them before distributing them around the school.

School Streets

Hackney council has put the school streets restriction back in place. Further information about that can be found [here](#).

Wear red on Friday (19th) for Red Nose Day 2021

→ Hackney

Your school street

REBUILDING A GREENOR HACKNEY

Your School Street

We've introduced a trial School Street outside your school to improve air quality, help children walk and cycle more safely, and allow for social distancing at the school gates.

While the scheme was paused during the school closure period, it is now operating again following the return to school on 8 March.

The School Street operates at school opening and closing times. This means that vehicles are restricted from entering the School Street zone unless they have been granted an exemption.

REBUILDING A GREENOR HACKNEY

Have your say on whether your School Street trial should be made permanent at: rebuildingagreenerhackney.commonplace.is

Alternatively, you can send your comments to us in the post, stating the scheme you'd like to comment on. Write 'FreePost Streetscene' on any envelope and we will receive your letter. No stamp is required.

have **your** say

HDS12408

Kind Regards,

Catherine Thomas
