Year 2's Amazing Delicious Pancake Party!

On Tuesday 1st March Year 2 had an amazing day! It was pancake day and we done lots of fun activities!

Pancake colouring

When we arrived in the morning and the first thing I did is wash my hands. And on my table were Holly, Janet and Angela.

At my table I ~~saw~~ saw a paper to colour and on the paper was some pan and some

other things.

Making our pancakes

After a while we were going up the stairs and went to the cooking room. We put some ingredients and the ingredients were egg, flour and some others.

Pancake flipping competition

Meanwhile when we finished our pancakes we were doing a flipping competition and whoever gets the most points wins and I found it tricky and I was very nervous. I managed to get 8 in the first round and 5 in the second round.

Making pancake posters

After eating ^{Delicious} My pack lunch
we done posters. We were
doing it in groups and one
group in Happy, pancake and
day. We ~~don't~~ have picked
lots of ~~different~~ different
colours. Then once we finished
our posters ~~we~~ 3 or 4 went
to the lunch hall and
put the posters under the
gigantuous tv.

pancake party

After that In the hall we played
some games and dances and
do stunts. Then we ate
pancakes but ~~I~~ didn't

Want it so miss hay took a
little piece of My pancake.
but I also put sugar on it. ~~but~~
I didn't put lemon juice.

Watched Mr. Wolf's pancake

Then at the end of the day
We watched a video of a
Wolf eating pancakes ~~but~~ he
made it first but he didn't
know what to do. Then he
asked his neighbours to help
them but they all said no. he
didn't have the ingredients so he
went to the shops. [↑] finally
he got the ingredients and
started to work hard trying
to make the pancakes, but then

his ^{evil} neighbours came and when
the wolf opened the door
he said yes then his
neighbours came in and
I think they screamed
then when the neighbours
sat down ~~the~~ ^{Mr} wolf ate
the neighbours and I think
the wolf couldn't eat ~~it~~ ^{the}
pancakes or he could and
then it was the end of the
video. Then I went home.
