

Holy Trinity C of E Primary School Curriculum Overview

Term: Autumn

Year: 4

Year 4 : Our key adults

Class teacher: Berivan Kurban

Support staff: Ms Sedriye and Ms Conneely

Other important adults: Ms Mackenzie (Head teacher), Ms Mather (Deputy head), Mr Gorner- Patel (Assistant Head and SENDco), Chelsea Sewell (Admin officer), Mr Aaron French (Attendance officer and PE coach).

Homework return and reading book change day - Thursday

Texts we will read in English lessons

Mathematics

- Review of addition and subtraction
- Numbers up to 10,000
- Perimeter
- Time
- Co-ordinates
- 3, 6, 9 times tables

For more information on the Maths curriculum we use at Holy Trinity, please click here:

Reading

Retrieval	Inference	Prediction
At the beginning of the story... At the end of the story... The character thinks that... This book belongs to the 'genre' The word/phrase is important because...	The word 'tells us that...because...' The phrase 'tells us that...because...' The character 'tells us that...because...' The part 'tells us that...because...' The next event will be 'this is because...' I imagine the character will 'because...' Evidence from the text suggests that the character's will 'because...'	I predict that 'because...' I believe the character will 'because...' The next event will be 'this is because...' I imagine the character will 'because...' Evidence from the text suggests that the character's will 'because...'
Vocabulary	Summarising	Making links
The word 'means...because...' The phrase 'suggests that...' The author has used the word/phrase 'to show...' I think the word 'means...because...'	This paragraph 'is about...' This chapter 'is about...' The key idea in 'this is because...' The theme in 'this is because...' The title 'means well because...' The book is about...' In 'words the mood is...'	This reminds me of 'because...' This is similar to...' The character 'reminds me of...' The setting is similar to...' This makes me think of...' The plot is similar to...' I think the genre is 'this is because...' The theme is similar to 'because...'

Strong reading skills are vital for success across the curriculum, but they also nurture creativity and expression. By seeing how authors use language, structure, and style our methodology ensures reading is about more than just recognising words — it's about understanding, enjoying, and thinking deeply about what we read.

From year 2 upwards, children are taught strategies such as predicting what might happen next, working out tricky vocabulary, asking questions, and making inferences to uncover hidden meanings. These skills not only help them make sense of stories and information but also inspire their own writing. The more children read, the more ideas, words, and styles of writing they absorb, which strengthens their imagination and expression.

Science

Religious Education

<u>States of matter - pupils will be taught to:</u> ● Compare and group materials together, according to whether they are solids, liquids or gases ● Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C) ● Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature <u>Electricity - pupils will be taught to:</u> ● Identify common appliances that run on electricity ● Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers ● Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery ● Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit ● Recognise some common conductors and insulators, and associate metals with being good conductors	At Holy Trinity, we follow the RE Curriculum designed by the LDBS. More information about the LDBS curriculum can be found here: https://ldbs.co.uk/primary-re-syllabus#gsc.tab=0 This term we will answer the following questions: How did belief in God affect the actions of people from the Old Testament? Is the Christmas message of peace still relevant to today's world?
---	---

Geography

<u>St Lucia - pupils will be taught:</u> ● St Lucia is an island country in the Caribbean. The capital city is Castries. ● Know at least five differences between the UK and St Lucia: climate, economy, physical, trade, natural resources. ● Know what is meant by the term 'tropics.' ● Know where the equator, tropic of Cancer, Tropic of Capricorn and the Greenwich meridian are on a world map. ● Explain what a climate zone is and how it is different to a biome. ● Know the names of four countries from the southern and four from the northern Hemisphere. <u>Rivers - pupils will be taught:</u> ● Explain the features of a water cycle: evaporation, condensation, precipitation and collection ● Know and label the main features of a river: source, mouth, bed, meander, course, tributary, delta, floodplain ● Know the name of, and locate, a number of the world's longest rivers: Amazon, Thames and Indus ● Know and describe the course of the Thames. ● Know different ways in which humans use water. ● Know the impact on floods and droughts.

Art and Design Technology	Personal, Social, Health and Citizenship Education
<u>Art – Abstract Expressionism</u> ● Study the work of Alma Thomas	PSHE is taught using the Jigsaw scheme of work. More 

- Explore colour, pattern and composition
- Create artwork using collage and painting techniques

River - Landscape **David Hockney**

- **Explored the distinctive style of David Hockney**, focusing on his use of colour, line, pattern and perspective.
- **Experimented with lines, tones and patterns** to create different textures, including grass, water, trees and skies.
- **Investigated bridges along the River Thames**, identifying their unique features and using observational drawing techniques.
- **Created a mixed-media river scene**, using block colours, painting and a range of media to add texture and detail.

information can be found through the [parent portal](#).

Being Me in My World

- Feeling safe, belonging, choices, rewards, consequences, responsibilities.

Celebrating Differences

- Judging by appearances, understanding influences, understanding bullying, problem solving, celebrating our differences with how we look.

Physical Education

PE Day - Friday. Please wear your PE kit to school every Friday.

- This term, Year 4 will develop their basketball skills through fun activities and small-sided games. We will focus on dribbling, passing, shooting and defending, while developing teamwork and an understanding of space.
- This term, Year 4 will build on their football skills and develop greater control and confidence with the ball. We will focus on passing, dribbling, shooting and defending, while learning how to create space and support teammates. Children will apply their skills in small-sided games.

Wider Curriculum

British Values are taught and discussed through our whole school acts of collective worship and in our RE and PSHE lessons.

- Music and singing are taught by our specialist music teacher.
- Computing is taught via iPads, or through hands-on practical resources.

School Trips: Y4 will take part in a workshop in school all about St Lucia.

Many parents are keen to help their child by doing activities which support their education in school. Some suggested activities are listed below, linking to what we are studying this term.

- Visit Dalston Library and re-read some of the texts shown above. Consolidating texts is really

helpful for your child to make connections with, and deepen understanding of, the stories they read.

- Take a trip to the Science Museum and learn more about how electricity was first used and developed.
- Practise measuring temperatures using different thermometers.
- Observe how water changes from solid to liquid to gas. How can you affect this change?
- Research St Lucia and find out whether there are similarities or differences between the human and physical geography features of St Lucia compared to the UK or another country you are familiar with.
- Do you know anyone from St Lucia (or from elsewhere in the Caribbean)? Can you interview them about what life is like there and how things are similar or different to life in the UK?
- JoJo and Gran Gran have a special episode all about St Lucia! Watch it here:
<https://www.bbc.co.uk/iplayer/episode/m001j608/jojo-gran-gran-specials-its-time-to-visit-saint-lucia>
- Take a trip to see the River Thames! What features of a river can you find? Can you cross the river using a bridge- was it shorter or longer than you anticipated?
- Visit the Tower Bridge Exhibition and find out about how the bridge works and more about the importance of the River Thames to London.
- During the weekend, visit a lock along the canal and see if you can help to use the lock to raise or lower the level of the water. Can you figure out how this process works? Watch Maddie from CBeebies "Do you know?" find out about canal locks and how they work here:
<https://www.youtube.com/watch?v=ltqUBbgm9h0>

Important dates this for your diary:

- Freshwater Theatre workshop (in school)- St Lucia- **Tuesday 15th September AM**
- Sportinspired pre Festival on Muga year 3 & 4 - **Tuesday 15th September PM**
- PTA- Macmillan Coffee Morning- **Friday 25th September - 3.30- 4.30pm**
- School photos- **Tuesday 22nd and Wednesday 23rd September**
- Parents' and Carers' Evening- **14th and 15th October**
- Black History Month Church Service- **Thursday 22nd October, 9.15- 10.00am**
- PTA- Black History Month Event- **Thursday 22nd October, 3.45- 5.00pm**
- Break up for Autumn half term- **Friday 23rd October, 3.30pm**
- INSET Day- **Monday 2nd November- school closed to pupils**
- **Pupils return to school on Tuesday 3rd November**
- Children in Need Day - Wear spots or pyjamas- **Friday 13th November**
- Odd Socks Day- **Monday 16th November**
- Anti- Bullying Week- **Monday 16th November to Friday 20th November**
- Y4 Class Sharing Assembly- **Tuesday 20th October**
- Christmas lunch- **Tuesday 15th December**
- PTA- Christmas Fair- **Thursday 17th December, 3.45- 5.00pm**
- Break up for Christmas- **Friday 18th December, 3.30pm**
- **Pupils return to school on Tuesday 5th January**
